

Dirt. Moisture. Keep It Out.

Breather Solutions Making The Right Selection

Des-Case breathers protect the headspace of your equipment, ensuring that the air surrounding lubricants is clean and dry.

Try One On Us.

Request your complimentary disposable desiccant breather today by calling 615.672.8800 or go to descase.com/sample.

PRODUCT ATTRIBUTES

	Standards	Extended Series	VentGuards	HydroGuards	Extreme Duty	Non-Desiccants	Rebuildable Steel
Silica	✓	✓	✓	✓	✓		✓
Foam Pad	✓	✓	✓	✓	✓		✓
Efficient Filter	✓	✓	✓	✓	✓	✓	✓
Integrated Standpipe	✓	✓	✓	✓	✓		✓
Impact Resistance	✓	✓	✓	✓	✓	✓	✓
Vibration Resistance (female thread)		✓			✓	ND-35 Only	
Caustic Chemical Resistance					✓	✓	✓
Check Valves		✓	✓	✓	✓		
Expansion Bladder				✓			
Disposable	✓	✓	✓	✓	✓	✓	
Integrated Honeycomb Oil Mist Reducer		✓					

SELECT APPLICATIONS

	Standards	Extended Series	VentGuards	HydroGuards	Extreme Duty	Non-Desiccants	Rebuildable Steel
Transformers		Storage Tanks	Gearboxes	Gearboxes	Mobile Equipment	Oil Misting	Bulk Storage
Storage Drums		Wind Turbines	Pumps	Mixers/Agitators	Hydraulics	Water Based Fluids	Large Hydraulics
Totes		Large Gearboxes/ Hydraulics	Hydraulic Power Units	Large Gearboxes/ Hydraulics	High Vibration/Impact	Gear Drives	Chemical Tanks
Hydraulics		Oil Misting	Conveying Systems	Cooling Towers	Truck Differentials	Casting Hydraulics	Diesel

EXAMPLE OPERATING ENVIRONMENTS

	Standards	Extended Series	VentGuards	HydroGuards	Extreme Duty	Non-Desiccants	Rebuildable Steel
General Use		Remote Applications	Intermittent Operations	Steady State Operations	Harsh Environments	Low Humidity	High Flow Applications
Lubricant Storage Rooms		High Humidity	High Humidity	High Humidity	High Vibration	Arid Environments	Harsh Environments
Indoors		Washdowns	Washdowns	Washdowns	Washdowns	High Dust	Harsh Chemicals
Cold Weather Environments		Oil Misting	Low Flow Applications	Low Flow Applications	Impact	Water Based Fluids	High Temperature
